ORDER:-

In the reference 1st read above, Government have accorded Administrative sanction for the work of "Providing Lift Irrigation to Kandaleru Reservoir Left canal @ 260 c/s to feed an I.D. ayacut of 20,700 acres from low level sluice @ Km.7.550 to off take point of High level canal sluice @km 0.990 of Kandaleru Reservoir Dam in SPSR Nellore District" for an amount of Rs.61.00 Crores.

2) In the reference 2nd read above, the Chief Engineer, NTRTGP, Tirupati has stated that the work was entrusted to M/s Megha Engineering & Infrastructure Limited, Hyderabad under non EPC at a tender premium of (+) 4.589% and the agreement was concluded for Rs.53,14,53,000/-. The service line charges for power supply, security deposit including development charges etc., are kept out of the contractor's scope and an amount of Rs.2,24,20,450/- is provided as LS items in the sanctioned estimate. During execution, it has noticed that for the given pumps & motor specifications the 33/11 KV transformer will not function as the motor power rating required is 6.6KV. The Superintending Engineer, APSPDCL, Nellore and the contractor have also expressed their inability to procure the 33/6.6KV transformer in a short time. The contractor Megha Engineering & Infrastructures Limited has transported the above transformer from HNSS Circle No.2, Anantapuramu to the work site and procured all the required accessories and completed the 33/6.6KV Sub-station within a short period. The Chief Engineer has inspected the project site and instructed to complete the work as per schedule and directed the agency to procure the 33/6.6 KV transformer as the APSPDCL is unable to supply this and to incorporate the above components in the revised estimate. Subsequently the present agency completed the construction of 33/6.6 KV sub-station and commissioner the scheme in order to supply the water.

3) Finally, the Chief Engineer, NTRTGP has requested the Government to ratify the action taken by the SE in having entrusted the work to the existing agency for the subject work of "Construction of 33/6.6 KV Sub-station" for Rs.1,49,32,433/- (but the revised detailed estimate submitted for Rs.1,43,35,370/-) at estimate rates as this work is contingent to the main work which was under LS Provision in the sanctioned estimate.

4) Government after careful examination of the proposal, hereby ratify the action taken by the Superintending Engineer, SSLC&SB Circle Nellore in having entrusted the sub work to the existing agency for Construction of 33/6.6 KV sub-station with necessary equipment and accessories (i.e., Power transformer, VCB, CT's, PT's, AB Switches etc., for an amount of Rs.1,43,05,959/- (Rupees one crore forty three lakhs five thousand and nine hundred fifty nine only) at estimate rates as this work is contingent to the main work which was under LS Provision in the sanctioned estimate".

5) The above expenditure is debitable under Head of Account "4700 Capital Outlay on Major Irrigation -01 Major Irrigation- Commercial - M.H.180 Kandaleru Lift Irrigation Scheme - G.H.11 State Development Schemes – S.H (26) Dam and Appurtenant works -530 Major works- 531 Other Expenditure".

6) The Chief Engineer, NTR Telugu Ganga Project, Tirupati shall take necessary action accordingly.

7) This order issues with the concurrence of Finance (FMU-W.R.II) Department, vide their U.O.No.FIN01-FMU0PC(WR2)/63/2018-FMU-WR-II (Computer No. 747486), dated:01.03.2019.
